

Condolences to Imam Mahdi (as)

Oh My Imam...

I know you are very sad and your heart is broken. When you think about Imam Hussain (as) and all the horrible things that happened to Him and His followers, you feel very upset. You say in Ziyarat Nahiyah that you cry every day for Imam Hussain (as). We are also remembering Imam Hussain (as) today on the day of Ashura. We cannot see you, but we understand your pain. Insha'Allah we are all with you in your sadness. We know you are always present in the majlis with us. Insha'Allah one day we will get to see you.

May Allah (swt) bring peace to your heart.

My deepest condolences to you.
