

IMAM

MAHDI

Imam MAHDI (AJ)

*Helps All Those
“Who Call On Him
When In Distress”*

By Prof Ghada Ramahi

Prof **Ghada Ramahi**,
Palestinian born, received her
formal education in the USA.
Upon finishing her Ph.D.
training in molecular genetics
and virology, she realized that
Western science is neither
“objective” or value-free,
rather it is highly subjective
and used for political agendas.

“Ya Allah, if you accept my Hajj and if it is in your will to deliver me from my test, please give me a sign from my Imam, Sahib Al Asr Wazzaman (AJ), no less I will accept.”

Ya Allah, he is the
Imam of my time
and am his
mwaleyyeh,
please ya Allah.

When Allah (SWT) wants to grant his servants something, Allah (SWT) makes a dua' for that purpose available and he even puts the words in one's heart.

Of course 'he' is every place, but Hajj places are different than all other places.

The feeling when one is searching for the Beloved Imam (AJ) is difficult to convey, it is the heart, or rather the soul that is looking through the eyes.

Dua' Al Nudbah:

Difficult to see
people and not
see 'him'.

He is the only living
'*person*' who belongs
to and deserves
being here around
his grandparents
(AS).

Dua' Al Sabah of Ameer
Al Mo'meneen (AS) :

I have knocked the
door of your mercy
with the hand of my
raja' ...

Allah is so
gracious, and
Ahlul Bait are so
generous to their
followers.

فائز من النور

يا حي يا قيوم
يا ذا الجلال والإكرام

I ask the forgiveness of
Allah (SWT) and apologize
to my Beloved **Imam** (AJ) ,
if I have fallen short in my
description and/or if I have
conveyed things not as
accurate as 'he' would have
wanted it to be.

It was beyond
words, above
description and
very divine, and
so is 'he'.
