

# THE GOLDEN ERA OF IMAM MAHDI'S (A.T.F.S.) REAPPEARANCE

السَّلَامُ عَلَيْكَ يَا سَبِيلَ اللَّهِ الَّذِي مَنْ سَلَكَ غَيْرَهُ  
هَلَكَ

## 1. The Pivot Of Life

- \* Engulfed with darkness, in the quest of the center of light, we are searching for the sun.<sup>1</sup>
- \* We are the travelers of midnight. To tread the path, we are gazing at the stars.<sup>2</sup>
- \* Thirst is killing us. Harried, we search for the elixir of life while only a few moments of life remain.<sup>3</sup>
- \* In the dark and chilly night, we are lost in the desert of calamity and misfortune, striding towards the luminous bonfire on the mountain peak.<sup>4</sup>

- 
1. السَّلَامُ عَلَى شَمْسِ الظَّلَامِ "Peace be on the sun of the darkness."- Rabee' al-Anaam, p. 364-381
  2. يَا بَنَ الْأَنْجُمِ الْوَاهِرَةِ. "O son of the brilliant stars."- Dua-e-Nudbah, Rabee' al-Anaam, p. 351
  3. It is an indication towards the last verse of Surah Mulk. In the traditions, Imam Mahdi (a.s.) is referred to as مَاءٌ مُعِينٌ "flowing water."
  4. الْإِمَامُ، النَّارُ عَلَى الْبَيْعِ، الْحَارُّ لِمَنْ اضْطَلَى بِهِ وَالذَّلِيلُ فِي الْمَهَالِكِ، مَنْ فَارَقَهُ فَهَلَكَ. "The Imam is a bonfire on the mountain, warm for the one who seeks warmth from him and a guide in places of destruction. Whoever separates from him

- \* In the barren salt desert, we are looking towards the dark clouds hovering over us and offering a cool shade.<sup>1</sup>
- \* During the occultation, we are the orphans of Imam (a.s.). We are searching for the loving hand of the kind father.<sup>2</sup>
- \* We are insignificant particles but have heard about the sun. Although, with the scarce recognition that we have about him, we are advancing towards it.<sup>3</sup>
- \* We are Muslims. To prevent the death of ignorance (i.e. a death of apostasy and hypocrisy), every moment we are in quest of words that will grant us further recognition of

is destroyed." - Kamaal al-Deen, vol. 2, p. 677, Tr. No. 31

1. "The Imam is sweet water for the thirsty ones."- Kamaal al-Deen, vol. 2, p. 677, Tr. No. 31
2. Imam Hasan Askari (a.s.) states, أَشَدُّ مَنْ يُيْمُ هَذَا الْيَتِيمِ، يَيْمٌ "The greatest orphan is he who is isolated from his Imam and does not have access to him..."- Munya al-Mureed, p. 114, p. 4.
3. Imam Reza (a.s.) says, "الإمام..... الشَّمْسُ الْمُضِيئَةُ. "The Imam.... is like a brilliant sun."- Kamaal al-Deen, vol. 2, p. 677, Tr. No. 31.

our Imam (a.t.f.s.).<sup>1</sup>

- \* The cold and killing winter of occultation has already set in our hearts. We beseech Allah to send the beautiful spring and invigorating breeze of Imam's (a.t.f.s.) reappearance.<sup>2</sup>
- \* We know that Imam-e-Zamana (a.t.f.s.) is like the Holy Ka'bah, around whom we must circumambulate.<sup>3</sup>
- \* We desire to circumambulate the Ka'bah (pivot) of our lives.

- 
1. This refers to the reliable and authentic tradition of the Messenger of Allah (s.a.w.a.), مَنْ مَاتَ وَلَمْ يَعْرِفْ إِمَامَ زَمَانِهِ، مَاتَ مِيتَةً جَاهِلِيَّةً. "He who dies without recognizing the Imam of his age, dies the death of ignorance.'
  2. "Peace be on you, O Spring of Mankind."-Ziyaarat of Imam Mahdi (a.t.f.s.) in the Cellar (sardaab) at Saamarra.
  3. "The likeness of Imam is like that of the Ka'bah. He is approached and he does not approach. "- Behaar al-Anwaar, vol. 36, p. 358

## 2. The Divine Sun

He is the sun, presently concealed behind the clouds. That is, we have relegated him behind the clouds...But the sun continues to shine and will continue to do so. Its brilliant rays rip apart the dense veils of the clouds, spreading throughout the universe. Have we ever reflected on it?

But for the light and warmth of the sun, pitch darkness would have enveloped the earth.

He is the sun, the sun of the entire universe. The sun of the solar system is a mere shadow of his resplendence.

The day of the earth's residents begins with the rising of the sun, even if it is hidden behind the clouds. Similarly, can the day of a spiritual and holy life commence without the illuminating rays of Allah's proof? Is it possible that one breathes in the world of spirituality, and is needless of Allah's representative..? No, it's impossible.<sup>1</sup>

1. This part has been extracted from the interpretation of Allamah Majlisi (r.a.) vis-à-vis the tradition, "Sun behind the clouds." Behaar al-Anwaar, vol. 52, p. 93, 94

## 3. The Hope Of All Ages

"He" will definitely arrive, sooner or later. He will positively come with the Prophet's (s.a.w.a.) standard on his shoulder and the sword of Ameer al-Momineen Ali Ibn Abi Taalib (a.s.) in his hands. The caravan of joys and pleasures shall accompany him. He will be carrying an enormous burden of the light of guidance of human bliss, both in this world as well as the hereafter.

"He" will certainly come, a standard of virtue and nobility, a fountainhead of deliverance and mastership. He will infuse a fresh lease of life in the dead humans, the lone rider of the field of faith.

When "He" arrives, he will enliven the forgotten realities of the Holy Quran. In the age of excessive and vain talks, lacking substance and eloquence, he shall give life to the meaning of the words and revitalize spirituality.

"He" will come for sure. His advent is a divine promise. And Allah the Almighty never reneges on His promise.<sup>1</sup>

---

1. Imam Muhammad Taqi (a.s.) says, إِنَّ الْقَائِمَ مِنَ الْبَيْعَاتِ، وَاللَّهُ لَا يُخْلِفُ الْبَيْعَاتِ. "Surely the Qaim is from Allah's promise and Allah does not violate His promise."- Al-Ghaibah by No'mani, p. 303, Ch. 18, Tr. No. 10;

The promise of his reappearance is associated with the true assurance of the Messenger of Allah (s.a.w.a.). Even if a day remains from the life of the earth, Allah the Almighty would extend that day till this great personality emerges.<sup>1</sup>

His reappearance is a divine promise, the guarantee of which is taken by none other than Allah Himself.<sup>2</sup>

His advent is sure and definite. He is Allah's treasure, through whom He will honour His friends and disgrace His enemies.<sup>3</sup>

His reappearance is certain. He is Allah's Light that the apostates desire to extinguish. But

1. The Messenger of Allah (s.a.w.a.) prophesied, وَالَّذِي بَعَثَنِي بِالْحَقِّ نَبِيًّا، لَوْ لَمْ يَبْقَ مِنَ الدُّنْيَا إِلَّا يَوْمٌ وَاحِدَةٌ لَطَوَّلَ اللَّهُ عَزَّوَجَلَّ ذَلِكَ الْيَوْمَ حَتَّى يُخْرَجَ فِيهِ وَلَدِي الْمَهْدِيُّ. Allah, the Subduer will perfect His light, notwithstanding the displeasure and discontent of the disbelievers and the infidels.<sup>1</sup>

## 4. Paradise Of The Inhabitants Of The Earth

When the light of his reappearance will emerge, it will be a different world. Then, the earth will be a kind of paradise. Dead with oppression and apostasy of its inhabitants, it will get a new lease of life. The glorification and exaltation of Allah on earth will be with recognition. At that time, the earth will come alive due to the presence of Imam-e-Zamana (a.t.f.s.).<sup>1</sup>

His reappearance is a sign of the Major Resurrection (Qiyamat-e-Kubra), the day on which the earth shall transform to a condition very different from that of today.<sup>2</sup>

1. Allah the Almighty emphasizes in Hadith-e-Qudsi "بِالْقَائِمِ مِنْكُمْ أَغْمُرُ أَرْضِي بِسُبْحَانِي وَتَهْلِيلِي وَتَقْدِيرِي وَتَكْبِيرِي وَتَمْجِيدِي." With the Qaem (a.t.f.s.) amongst you, I will fill the earth with My glorification, My exalting and My extolling." - Al-Amaali of Shaikh Saduq (r.a.), p. 504, Session 92; Behaar al-Anwaar, vol. 23, p. 128. If we pay attention to this tradition, we find that the words, بِالْقَائِمِ has come before the verb A R A B I C. In Arabic grammar, this denotes confinement i.e. it is only and only through Hazrat Mahdi (a.t.f.s.) that Allah the Almighty will inhabit this earth with His glorification, exaltation and extolling.
2. يَوْمَ تُبَدَّلُ الْأَرْضُ غَيْرَ الْأَرْضِ. 'On the day when the earth shall

Imam Sajjad (a.s.) informs us, "The earth, which will not be tainted with the sins of the creatures, will be a different earth. This earth will be distinct from the earth prior to the reappearance."<sup>1</sup>

Some commentators and interpreters have explained the above concept thus:

وَمِنْ نَسْلِ عَلِيِّ (ع) الْقَائِمِ الْمَهْدِيُّ (ع) الَّذِي  
يُبَدِّلُ الْأَرْضَ غَيْرَ الْأَرْضِ.

"And from the progeny of Hazrat Ali (a.s.) will be the Qaem, the Mahdi, who will change the earth with a different one."<sup>2</sup>

From the infants in the cradles to the corpses buried in the graves, everybody will get a new life. And all of them will desire to take a step in the direction of their master.<sup>3</sup>

be changed into a different earth' Surah Ibraheem (14): Verse 48

1. Under this Quranic verse, Imam Sajjad (a.s.) explains, "يَعْنِي بِأَرْضٍ لَمْ تَكْسِبْ عَلَيْهَا الذُّنُوبَ." "It means that He will change it with an earth on which there will be no sins."- Behaar al-Anwaar, vol. 7, p. 110.
2. Al-Ghaibah by No'mani, p. 146, Chapter 10, Tr. No. 4
3. The meaning of this statement in all books is

The sincere followers of the Messenger of Allah (s.a.w.a.) and the Imams (a.s.) in this nation will hasten towards their master just as the bees take shelter in its leader and the beehive."<sup>1</sup>

Such things are not improbable or unlikely for Allah Who has absolute power over all things.<sup>2</sup>

The same Allah, Who destroys His enemies with His Might and Subjugation, confers His boundless marvels and bounties on His friends. At that moment, He will convert this world into a completely different one. Simply listening to its characteristics and traits gives a new light to the mind and the soul.

After the reappearance, the world will be a new and amazing place.

- \* The Messenger of Allah (s.a.w.a.) will be joyous and glad on seeing him (a.t.f.s.).<sup>1</sup>

## 6. A Magnificent Sight

The distance between the current social order and the promised one is extremely vast but at the same time, it is also very short.

The distance is wide like the duration of the long night of negligence for those unmindful of the light, so much so that their hearts were numbed and they felt needless of the Imam of their time (a.t.f.s.). We ignore the source of life and our hearts are content with the thirst of ignorance.

Caged in unawareness, we think darkness to be light and even brag about it arrogantly!

We have distanced ourselves from the fountainhead of guidance and are passing our lives in the ocean of perplexity and amazement and are even happy about it!

How vast is this distance! This is the distance from darkness to light.

But from another aspect, this distance is very less.

Those who have submitted their hearts to the pivot of faith and the center of life;

Those who always feel the necessity to maintain contact with their Imam-e-Zamaan

(a.t.f.s.) and realize him (a.t.f.s.) with their entire existence;

Those who consider getting in touch with their beloved Imam-e-Zamaan (a.t.f.s.) as more necessary than their breaths;

Those who believe that life without the remembrance of the essence of life (a.t.f.s.) is tantamount to a barbaric and useless existence;

Those who have experienced the thirst with their entire being are searching for the elixir of life in this world's dry salt-pan;

It is for such people that the distance between these two societies is very little. Despite living in this society, their hearts are firmly ensconced in that world. They actually live in and for that world.

Talking about such people, Imam Sajjad (a.s.) says,

لَإِنَّ اللَّهَ تَبَارَكَ وَتَعَالَىٰ أَعْطَاهُمْ مِنَ الْعُقُولِ وَالْأَفْهَامِ وَالْمَعْرِفَةِ مَا صَارَتْ بِهِ الْعَيْبَةُ عِنْدَهُمْ  
بِمَنْزِلَةِ الْمَشَاهِدَةِ.

"This is because Allah has granted them such intellect, understand and recognition that

for them occultation is the same as witnessing."<sup>1</sup>

It is our duty to strive our utmost to reduce this distance to the maximum possible extent and to be unhappy with the prevalent circumstances. We must look forward to the divine, golden and bright future and wait for it with our entire being.

## **7. The Image Of Reappearance**

In this booklet, a picture of the divine government that will be led by Imam Mahdi (a.t.f.s.) is outlined. All Prophets (a.s.) and their successors are keenly awaiting his reappearance, from the beginning of creation till date.

- \* Imam-e-Zamaan's (a.t.f.s.) justice is a striking aspect of his government that will be complemented by a sense of justice and equity even among his subjects.
- \* The entire creation shall be in perfect harmony and compatibility with man.
- \* Economic and social welfare of man will be the order of the day.
- \* The boundaries of Imam-e-Zamaan's (a.t.f.s.) government will extend across the length and breadth of the world.
- \* It will be a universal government, the likeness of which cannot be found in human history.
- \* Shiism will be widely practiced among the people of the world.
- \* The followers of other religions and schools

of thought will also turn towards Islam with their own freewill after seeing its truthfulness.

- \* This government shall endure and rule the entire world.
- \* The peculiarities of this government (from the aspects of Imam and the nation) have rendered it as the unparalleled regime of the world.
- \* Some of the prominent features of Imam Mahdi's (a.t.f.s.) government include rapid development of knowledge and sciences, universal hygiene and safety, excellent ethics and high standards of morality, non-existence of disputes, perfection of intellect, dispelling of difficulties and calamities.<sup>1</sup>
- \* Everything that we have outlined above is derived directly from reliable traditions from the infallible progeny of the Messenger of Allah (s.a.w.a.) without any interpretations or analogies.

---

1. The details of these concepts have been discussed later in the book.

## 8. Divine Proof

It is necessary that we pay attention to the following:

Whatever we have highlighted here is just one dimension from the innumerable aspects of Imam-e-Zamaan (a.t.f.s.), that is, a glimpse of his universal government after his reappearance.

Imam Mahdi (a.t.f.s.) is the last link in the sequence of guidance and light. He is the inheritor of the perfections of the past Prophets (a.s.), the Holy Prophet (s.a.w), Janabe Fatema (s.a) and all the immaculate Imams (a.s). This aspect has been mentioned in Dua-e-Nudba and other reliable supplications. In Dua-e-Nudba we address Imam (a.s) thus:

يَا بِنَ الْهُدَاةِ الْمَهْدِيِّينَ، يَا بِنَ الْبُدُورِ الْمُنِيرَةِ،  
يَا بِنَ السُّبُلِ الْوَاصِحَةِ، يَا بِنَ الدَّلَائِلِ  
الْمَشْهُودَةِ، يَا بِنَ الصِّرَاطِ الْمُسْتَقِيمِ،

"O son of the divinely guided leaders, O son of the illuminating moons, O son of the clear paths, O son of the witnessed proofs, O son of the straight path."

Tens of such modes of addressing Imam (a.t.f.s.) can be seen in supplications and

ziyaraat. These terms not only underline the personal inheritance but also highlight the spiritual and religious legacy of Imam (a.t.f.s.).

Imam Mahdi (a.t.f.s.) is the heir of the perfections of the preceding infallibles (a.s.). Virtues and merits ascribed to these exalted personalities are equally applicable for Imam-e-Asr(a.t.f.s.).

Allah, the Almighty, has conferred a boundless ocean of perfections and virtues, which has wrecked the ship of human intellects and thoughts. (That is, to fathom their virtues and station is beyond human understanding).

### Who is the Divine Proof?

Indeed, this is a critical question that needs to be addressed. The (innumerable) traits of sunlight (that is, Allah's proof) cannot be described by a particle. There is only one way and that is to seek its description from the sun itself.

- The Imam (a.t.f.s.) is a human being with celestial qualities, heavenly physique, divine command, holy soul and a great secret of Allah. His essence is angelic and his attributes are divine. His characteristics are

endowed by Allah and he has been selected by the Messenger of Allah (s.a.w.a.). He is aware of the unseen. All these traits are specific to the holy Ahle Bait (a.s.). None can equal the progeny of Muhammad (s.a.w.a.) in these qualities and perfection.(1)

- From our (Ahle Bait (a.s.)) virtues and excellence, nothing has been related to you but a single alphabet from all the alphabets.(2)
- (O Ahle Bait (a.s.))! Indeed, Allah, the Almighty, has placed you at a station inaccessible to others. Your virtues are unprecedented and none can overwhelm you in them. None can scale the heights that you have scaled and none can hope to rise to the rank that you have ascended.(3)

Surely, man's power of comprehension and conception are simply incapable of perceiving their exalted status. Therefore, let us bow our heads before the Ahle Bait (a.s.) (in submission and expression of our helplessness) and enrich

our hearts with the words of Imam Sadeq (a.s.):

*"One who desires that his faith attains perfection, must sincerely confess, 'My belief in all instances and under all circumstances is in conformity with the teachings of the Ahle Bait (a.s.), explicit or otherwise. I acknowledge absolute faith in all those things that have reached and that which have not reached unto me from them (a.s.).'<sup>1</sup>*

From the garden of light and knowledge of the pure Ahle Bait (a.s.), we present a bouquet of fragrant flowers to their lovers. It should be borne in mind that the dimensions and facets of Imam's (a.t.f.s.) government are too diverse for man to grasp. The things that have reached unto us in the form of reliable and authentic traditions are just a few from among the thousands.

We beseech the Almighty Allah to increase our faith and certitude in our master, Imam Zamaan (a.t.f.s.), every moment. Light up the eyes of the believing friends with the sight of his (a.t.f.s.) government. Accept their supplications. Let the invocation taught by the Imam (a.t.f.s.), who is concealed from the eyes but close to the

heart, flow on their tongues:

اللَّهُمَّ إِنَّا نَرْغَبُ إِلَيْكَ فِي دَوْلَةٍ كَرِيمَةٍ، تُعِزُّ بِهَا  
الإِسْلَامَ وَأَهْلَهُ، وَتُذِلُّ بِهَا النِّفَاقَ وَ أَهْلَهُ، وَ

إِلَى سَبِيلِكَ، وَ تَرزُقُنَا بِهَا كَرَامَةَ الدُّنْيَا  
وَالْآخِرَةِ. آمِينَ يَا رَبَّ الْعَالَمِينَ.

*'O Allah! Surely we are inclined to You concerning the noble government (of Imam Mahdi (a.t.f.s.)).*

*Through which You will honour Islam and its followers.*

*And through which You will degrade hypocrisy and its followers.*

*And make us in it among those who invite (others) towards Your obedience.*

*And the leaders towards Your path.*

*And through which You will bestow upon us the nobility of this world and the hereafter.*

*Aameen! O Lord of the worlds!'*

## **The Belief In Imam Mahdi (a.t.f.s.)**

### **Glad tidings of the prophets (a.s.) And their successors**

- \* Prophets (a.s.) And their Successors are awaiting the Government of Imam-e-zamaan (a.t.f.s.).
- \* The belief in a saviour is innate and natural.
- \* Tidings of Imam Mahdi's (a.t.f.s.) government are not restricted to Islam. Rather, all earlier divine scriptures have made a mention of it.<sup>1</sup>

- 
1. Muntakhab al-Asar, p. 171, quoting from Dalaael al-Imaamah. As examples, we have mentioned below the glad tidings of the past Prophets (a.s.) from the Old Testament (Torah) and the New Testament (Injeel).
    - i. Psalms of Dawood (a.s.), Psalm No. 37, verses 1-39.
    - ii. Psalms of Sulaiman (a.s.), Psalm No. 72, verses 7-18.
    - iii. Book of Prophet Ash'eyaa (a.s.), chap. 11, verses 3-9.
    - iv. Book of Prophet Danial (a.s.), chap. 12, verses 2-4 and 10-13.
    - v. Bible of Mathew, chap. 24, verses 34-51.

- \* · There is no dispute in the Islamic Ummah vis-à-vis the belief in Imam Mahdi (a.t.f.s.). But there are numerous differences concerning his name, titles and genealogy. ## **Invoking Imam-e-Zamaan (a.t.f.s.)**

O Mahdi! O Braveheart! O Lion of God!  
The righteous are awaiting you. Please  
come!

O Mahdi! O Ark of Salvation! The world is  
engulfed by storms. Ships have been wrecked.  
The eyes of your loved ones are fixed at you.  
They are awaiting your arrival.

O Mahdi! O Center of Hope!  
Darkness has enveloped the hearts. The  
helpless and the weak are orphans. Please come  
and stroke the hand of benevolence on their  
heads.

O Mahdi! O Shore of Deliverance!  
The hearts of believers are awaiting you  
restlessly. Please come and grant them  
tranquility.

O Mahdi! O Morn of Hope!  
The night of separation is painfully long.  
While most lie in the deep slumber of negligence,  
a few of your lovers and adorers await your  
luminous reappearance with restive eyes and  
restless hearts. Please come that the flowers of  
hope may blossom.

---

1. Yaum al-Khalaas, p. 374.

Please come that wilted gardens may bloom again.

Please come that the nightingales may sing the song of your victory and triumph.

Please come that the meadows and pastures may get a fresh lease of life.

O Mahdi!

O fountain of virtues! O loftiness of the righteous! O standard of liberty! The world is replete with sorrow. Now, please raise the veil of occultation.

O Mahdi!

O Power of God! O the one with (the sword) Zulfiqar in his hands! The oppressors have become extremely haughty and arrogant.

O Mahdi!

O the Treasurer of Divine Knowledge! Hoist the flag as the darkness of ignorance has engulfed the world.

O Mahdi!

O the Aware Eye of God! The ark of humanity is whirling in crises. Only the breeze of your reappearance can save it.

O Mahdi!

O Heir of Ali! Our begging bowl is empty. May the poor receive the same royal generosity

once again!

O Mahdi!

O Legatee of Prophet Yusuf! Despair is striking the hearts. May the hearts gain the soul of hope!

O Mahdi!

O Messiah of the Soul! Sickiness and helplessness is rampant and widespread. Only you can grant cure to the sick.

O Mahdi!

O Inheritor of Imam Reza's (a.s.) knowledge! The hearts are devoid of real knowledge. Please quench the thirst (of knowledge) of parched throats.

O Mahdi!

O Obedient Servant of Allah! The essence of worship has abandoned the hearts. Please give the life of belief to the dead hearts.

O Sun of Life!

Till when will you remain concealed behind the clouds of occultation?

O Bright Moon!

Till when will you hide behind the clouds in the dark night?

O Spring of Life!

Till when will rubbish sweepings adorn the

gatherings?

O Sharp Sword of Allah!

Till when will the tyrants be let loose?

O Pen!

What has happened to you? Stop!

He (a.t.f.s.) himself is awaiting divine orders.

Since ages, he (a.t.f.s.) has been raising the cry, 'Is there a helper?'

There is none to respond to his cry but a few righteous believers. For centuries, he (a.t.f.s.) is praying for his early reappearance. But there are few of true character and truthful ones to say 'Amen'.

In the House of Allah, on all four sides of the center of monotheism, in the presence of the Almighty, the tongue is in total harmony with the hand while supplicating,

اللَّهُمَّ أَنْجِرْ لِي مَا وَعَدْتَنِي

*"O Allah! Fulfill for me what You have promised me."*

Come!

Let us take a pledge of mastership, obedience, love and sacrifice at the threshold of Imamah.

Let us purify our contaminated hearts,

cleanse them of sins and prepare them to listen to his enlivening and enriching teachings.

Let us pray for his earliest reappearance every morning and evening.

From the depth of our hearts and with utmost righteousness, let us call out,

اللَّهُمَّ عَجِّلْ لَوْلِيكَ الْفَرَجَ

*"O Allah! Hasten the reappearance of your friend."*

Aameen!
