

ernments;

- People's hate from them increasingly;
- Continual predicament for Zionist Regime etc.

Are all Divine help for resilience of oppressed people of Gaza. The result of resilience of Islamic Umma(h) causes different people's awareness even in western countries and loss of imperialism's countries' power, ruining their plan and growing Islamic glory and authority.

The ones who participate Arbaeen Walk by having "Lab-bayk Ya Husayn (PBUH)" motto are ready for divine Jihad and establishing domination of God's religion and new Islamic civilization. The future is for Islamic Umma(h). Being prosperous and salvageable needs great efforts and has abundant of obstacles, but it could make the person happy-hearted and provides God's satisfaction. This is the God's promise in Quran: "Allah has promised those among you who believe and do righteous good deeds, that He will certainly grant them succession in the Earth, as He granted it to those before them, and that He will grant them the

authority to practice their religion -which He has chosen for them-. And He will surely give them in exchange a safe security after their fear, then, they will worship Me and do not associate anything with Me. But whoever disbelieves after this, they are the Fasiqun (rebellious)."

So, nowadays we need those who are helpful to Imam Mahdi and resist for victory of right over wrong to provide conditions for Imam Mahdi's Zohoor.

We have to pay attention that Zohoor will happen when free people do not bow down to oppression and be resistant against tyrants. People of Gaza show that they do not admit the humiliation and it can help provide the conditions for Imam Mahdi's Zohoor, God willing.

With praying for Imam Mahdi's (PBUH) health and his Zohoor. say blessings (Salavat) upon Prophet Muhammad and his descendants, 100 times.

امروز در دنیای پیچیده و ژرفایات و ژرفیها، حرکت اربعین، یک فریاد رسا و رسانه‌ای بی‌همتا است. چنین چیزی وجود ندارد دیگر در دنیا. اینکه میلیون‌ها انسان راه می‌افتند، از کشورهای مختلف، از قریب و مختلف اسلامی و حتی بعضی ادیان غیر اسلامی، این وحدت رعینا حسینی است. شما بدرستی گفتید: «الحسین یجمعنا».

The Nature of the Imam Hosein's Movement

The Nature of the Imam Hosein's Movement

Arbaeen is a potent movement for the construction of the Islamic civilization. In this movement, Islamic world shows its strengths against disbelief and atheism. Absolutely, setting up this Walk by Islamic Ummah can make the enemies so fearful and scared. In this Walk, everyone from different nations and religions observes the beauty of authentic Islam and is going to be familiar to Imam Husayn's (PBUH) ideology. Moreover, it has been a cause to create Islamic civilization and as a result, it can help provide the condition for Imam Mahdi's (PBUH) Zohoor. Anti-oppression and enlightenment against bully ones and tyrants are the main goals of Imam Husayn's (PBUH) uprising. As Imam wrote a letter to Kufa's heads: "You know that Profit Muhammad (PBUH) during his life told that: anyone who sees a dictator who makes taboo rules Halal, breaks the covenant with God, opposes the Profit Muhammad's (PBUH) Sunna(h), oppresses with God's servants but does not rise practically and behaviorally against that

tyrant, such a person deserves to be in hell, the position of that dictator."

According to this, when Imam Husayn's (PBUH) pilgrims face oppression and tyranny, he/she should resist tyrant and defend the right. Imam Husayn's (PBUH) Ziyarat can expand and reinforce the culture of resistance against tyranny in society and it can cause fight against tyrants.

So, it can be said that Arbaeen Walk is a maneuver and opportunity to illuminate the Zionist regime's felonies. It is a regime which acts as Umayyad (bani-Omayyad) (which did any crime it could. The situation of Gaza today is a few felonies that Yazidi committed in Ashura:

- Those who did not allow Ahl al-Bayt to drink water, nowadays do not allow other people around the world to help

Palestine's helpless people;

- If children were martyred in Karbala, today we can see traumatic scenes in which children were deprived from life by Zionist's felons without committing any crimes;
- If the nature of Imam Husayn's (PBUH) movement was rising against oppressor and tyrant, today devil Zionist, the USA, European crafty governments and other abuser regimes are following Umayyad's goals in early Islam in infallible Imams' era in year 61 Hijri.

So, Arbaeen global community is for opposition against atheism, to follow Imam Husayn's (PBUH) uprising, for the poor and right advocators. Whoever does anything in Imam Husayn's (PBUH) path practically or heartily, should announce his/her hatred of Islam enemies and separate his/her path from those tyrants' path; otherwise, he or she does not have deeply-held belief in Imam Husayn's (PBUH) uprising.

- Islamic awareness;
- Revealing hypocrisy of USA, England and Western gov-
